### Description

A French Aubusson rustic tapestry panel from the 18th century, featuring several women and children in the foreground, tending to various chores while seated in a grassy field, with several other people in the background facing the elegant villagescape in the distance;

highlighted throughout by various flowers and trees strewn around the figures. Enclosed by a narrow monochromatic border. Wool with silk inlay.

**Hanging:** The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
