**Description**

A Flemish rustic tapestry panel from the 18th century, featuring a lady reposing in shade of a large tree, seated with a picnic basket as her hound plays beside her. Enclosed by a scrolling floral border with intricate corner motifs. Wool with silk inlay.

**Hanging:** The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
