Description

A French Felletin pastoral tapestry panel from the first half of the 18th century, depicting a seated youth playing the bagpipes and courting a seated young woman, flanked by two sheep, within an extensive landscape with a tree to the right-hand side, flower sprays in the foreground and a castle in the background. Enclosed within a ribbon-tied

entwined floral trailing border with ribbons at the angles and within beige and brown outer slips. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.

For additional information about this style of product, visit our Glossary page in the About drop down menu at the top of this page.
