Description

A French rustic hunting tapestry from the 18th century, with a couple catching an elusive boar in the foreground, a cottage in the middle distance at left, and a man tending to a blazing fire in the right distance. Enclosed within a pair of narrow monochromatic guard borders. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
