Description

A French landscape tapestry from the late 18th century, envisioning a series of cottages on verdant hills at center, flanked by large stately trees to the left and right. Enclosed within a scrolling border of flowerheads and acanthus leaves. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod,

we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
