Description

Late 16th Century Flemish Historical Tapestry, Oriented Vertically, with Flowers

A 16th Century Brussels historical tapestry panel. This vertically oriented decorative tapestry panel depicts a scrolling foliate design, with a grotesque and a coat of arms at top, and with ribbon ties and acanthus leaves below. The central area is enclosed within a narrow monochrome border. Wool with silk inlay. In very good condition for its age and weaving style, with minor wear, fading and losses, all typical for items of this age, composition, and weaving style.
