Description

17th Century Flemish Historical Tapestry Panel,
Vertically Oriented with Pendant

A 17th century Flemish Historical Tapestry panel. This vertically oriented decorative tapestry panel depicts a regal female figure at bottom, with a floral reserve above her, and with another regal female figure in a pendant cartouche at top. The central area is enclosed within a narrow monochrome border. Wool with silk inlay. In very good condition for its age and weaving style, with minor wear, fading and losses, all typical for items of this age, composition, and weaving style.
