Description

Late 16th Century Brussels Historical Tapestry Panel, Vertical, Woman & Flowers

A late 16th century Flemish Historical Tapestry panel. This vertically oriented decorative tapestry panel depicts a female figure at bottom, sitting within an elaborate floral reserve, with flowers and a portion of an arch at top. The central area is enclosed within a narrow monochrome border. Wool with silk inlay. In very good condition for its age and weaving style, with minor wear, fading and restoration, all typical for items of this age, composition, and weaving style. Refinished.
