**Description**

Late 16th Century Brussels Mythological Tapestry Panel, Women & Flower, Vertical

A Late 16th Century Flemish Mythological Tapestry Panel. This vertically oriented decorative tapestry panel depicts a mythological female figure at top, standing within an elaborate floral reserve, with flowers and a portion of an arch at bottom, flanked by two meditating female figures. The central area is enclosed within a narrow monochrome border. Wool with silk inlay. In very good condition for its age, composition, and weaving style, with minor wear, fading and restoration, all typical for items of this vintage. Refinished.
